GENERAL cont...

Lawrence Lions are hosting our District Convention: on Saturday March 23rd and we are asking for offers from the community to accommodate paid billets. Please contact Andrew Gray 4859685, Jane Hogg 0274309991, Alison Joyce 0211122444 or Wendy Haywood 0272487039. Thank you.

To the Tuapeka Aquatic Centre Community: We understand the concerns around the current lack of heating for the pool. We acknowledge that this is not an ideal situation, however we would like to reiterate that the Aquatic Centre is still open, and the pool is still sitting at 23-25 degrees. Due to unforeseen circumstances, we are still waiting on a part to fix the the boiler- a joint heating system between us and the school. We understand the frustration, however the Aquatic Centre is a community run not-for-profit trust, and financially are not in a position to compensate for this unprecedented situation. The Aquatic Centre has recently been running at a loss, hence our need to slightly increase the current season memberships. We will keep you all updated when the boiler is fixed, and the pool heating back to its usual temperature. We thank you for your patience. Tuapeka Aquatic Centre Committee."
